As we look at the progeny of Fifty-Fifty we can see how well his genetics have crossed with so many throughout the breed. He was made well with nice muscling and smoothness that's hard to come by and he's passed that on to his offspring. He stamped his calves with a recognizable 'look' and a sweet personality. Fifty-Fifty produced at least 4 daughters who've surpassed 100" ttt, he made Horn Showcase winners and World Show
